

## Product End-of-Life Notice

October 11, 2006

Dear Valued Customer / Partner:

The purpose of this letter is to serve written notice of Transition Networks' intent to discontinue our line of IBM 5250 media converters, 3X/AS400 PowerStar hubs, and some of the 3X/AS400 Baluns.

Transition Networks will officially discontinue the following models:

<b>Model</b>	<b>Description</b>
PS-CF-01	IBM 5250 Media Converter RJ-45 to MM ST 2KM
PS-CF-01(SM)	IBM 5250 Media Converter RJ-45 to SM ST 8KM
PSV-2/14-45	3X/AS400 PowerStar V 5250 Express Repeater
PSM-8E	3X/AS400 PowerStar Express Mux
PS-F-SIC	3X/AS400 PowerStar Fiber Optic Slide-in-Card
PS-T-SIC	3X/AS400 PowerStar Twinax Slide-in-Card
3-1125	3x/AS400 Balun, Twinax to RJ-11, Active Pins 2&5
3-1134	3x/AS400 Balun, Twinax to RJ-11, Active Pins 3&4
3-1143	3x/AS400 Balun, Twinax to RJ-11, Active Pins 4&3

Final Order Date / Final Ship Data:

A last time buy opportunity is available for the discontinued products. Orders will be accepted through 11/30/2006. These final orders must ship on or before 1/31/2007.

Available Balun Products:

Not all of the 3X/AS400 baluns are being discontinued; the following models will continue to be available.

<b>Model</b>	<b>Description</b>
3-4512	3x/AS400 Balun, Twinax to RJ-45, Active Pins 1&2
3-4545	3x/AS400 Balun, Twinax to RJ-45, Active Pins 4&5
3-4554	3x/AS400 Balun, Twinax to RJ-45, Active Pins 5&4

Replacement Product:

Transition Networks will not be offering direct replacements for the discontinued products.

Closing:

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,

Transition Networks Management Team
