

Product End-of-Life Notice

January 17, 2007

Dear Valued Customer / Partner:

Transition Networks will be discontinuing the E-MCC-01 single-slot chassis. This chassis was designed to be used with the older Conversion Center media converter modules.

Discontinued Product:

Model	Description
E-MCC-01	The Pocket Single-Slot Chassis
E-MCC-01-CX	The Pocket Single-Slot Chassis w/ 12V power supply for coax cabling

Replacement Product:

Transition Networks will not be offering a direct replacement product. However, the entire Conversion Center product line has been replaced by the Point System and a single-slot Point System chassis is available to use with the Point System media converter modules.

Last Order Date:

April 30, 2007 - Order will be accepted through the end of April 2007; however these orders are subject to availability.

Available Conversion Center product:

While all Conversion Center chassis' have been discontinued, some Conversion Center media converter modules remain available. For users with open slots in their Conversion Center chassis', the follow media converters will continue to be available on a build-to-order basis.
