

Product End-of-Life Notice

October 8, 2007

Dear Valued Customer / Partner:

Effective immediately, Transition Networks has discontinued the E-TBT-FRL-05(SMHT) and E-TBT-FRL-05(XLHT). These are two products from our 10Mbps Ethernet media conversion family supporting an extended operating temperature range. This discontinuation is due to the end-of-life status on key components used in these products.

Discontinued Product:

Model	Description
E-TBT-FRL-05(SMHT)	Extended Temperature Stand-alone Ethernet Media Converter, 10Base-T RJ-45 to 10Base-FL 1310 nm Single Mode ST 20km
E-TBT-FRL-05(XLHT)	Extended Temperature Stand-alone Ethernet Media Converter, 10Base-T RJ-45 to 10Base-FL 1310 nm Single Mode SC 50km

Replacement Product:

Transition Networks will not be offering a direct replacement. However, Transition does offer a couple similar products with slightly different descriptions which might be worth consideration.

Model	Description
E-TBT-FRL-05(XCHT)	Extended Temperature Stand-alone Ethernet Media Converter, 10Base-T RJ-45 to 10Base-FL 1310 nm Single Mode SC 20km
E-100BTX-FX-05(XLHT)	Extended Temperature Stand-alone Fast Ethernet Media Converter, 100Base-TX RJ-45 to 100Base-FX 1310nm Single Mode SC 60km

Last Order Date:

Transition Networks is not able to offer a last time buy opportunity on these discontinued products.

Closing:

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,

Transition Networks Management Team
