## Product Discontinuation Notice

July 24, 2009

Dear Valued Customer / Partner:

Transition Networks would like to inform you that the following part numbers, J/E-CF-02, J/E-CF-02(SC), and J/E-CF-02(SM) have gone End-of-Life (EOL).

These products are part of the Just Convert-IT™ family of 10Base-T to 10BASE-FL Media Converters. A direct replacement product will be available in the E-TBT-FRL-05 product line, which also supports 10BASE-T to 10BASE-FL media conversion, but includes an additional feature, Link Pass Through. The E-TBT-FRL-05 series also offers options for extended transmission distances on both multimode and single mode fiber. The following table provides the replacement part numbers:

<u>Discontinued Product</u>	<u>Replacement Product</u>	<u>Description</u>
J/E-CF-02	E-TBT-FRL-05	10BASE-T to 10BASE-FL MM ST 2km
J/E-CF-02(SC)	E-TBT-FRL-05(SC)	10BASE-T to 10BASE-FL MM SC 2km
	E-TBT-FRL-05(L)	10BASE-T to 10BASE-FL MM ST 5km
	E-TBT-FRL-05(XC)	10BASE-T to 10BASE-FL SM ST 20km
J/E-CF-02(SM)	E-TBT-FRL-05(SM)	10BASE-T to 10BASE-FL SM SC 20km
	E-TBT-FRL-05(LH)	10BASE-T to 10BASE-FL SM SC 40km

Last Order Date:

Orders for J/E-CF-02 will be accepted through September 30, 2009 or while supplies last.

Closing:

As always, we look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,

Transition Networks Management Team
