

## Product End-of-Life Notice

October 6, 2006

Dear Valued Customer / Partner:

The purpose of this letter is to serve written notice of Transition Networks' intent to discontinue our line of Ethernet and Fast Ethernet fiber hubs.

Transition Networks will officially discontinue the following models:

<b>Model</b>	<b>Description</b>
E-FL-HB-040X	4-Port 10Base-FL MM ST 2km Hub with optional adapter slot
E-FL-HB-080X	8-Port 10Base-FL MM ST 2km Hub with optional adapter slot
MAOB	BNC adapter card for 10Base-FL Hubs
E-FX-HB-0800	8-Port 100Base-FX MM ST 2km Hub with optional adapter slot
E-FX-HB-0800(SC)	8-Port 100Base-FX MM SC 2km Hub with optional adapter slot
MA-FSC	MM SC 2KM adapter card for 100Base-FX Hubs
MA-FST	MM ST 2KM adapter card for 100Base-FX Hubs

Final Order Date / Final Ship Data:

A last time buy opportunity is available for the discontinued products. Orders will be accepted through 11/30/2006. These final orders must ship on or before 1/31/2007.

Replacement Product:

Transition Networks will not be offering direct replacements for the discontinued products. However, we do offer a family of fiber switches within our Milan brand of Ethernet networking devices.

<b>Model</b>	<b>Description</b>
MIL-SM808GST	8-Port 100Base-FX MM ST 2km Layer-2 Managed Switch w/ GBIC uplink port
MIL-SM808GSC	8-Port 100Base-FX MM SC 2km Layer-2 Managed Switch w/ GBIC uplink port
MIL-SM808GSC-15	8-Port 100Base-FX SM SC 15km Layer-2 Managed Switch w/ GBIC uplink port
MIL-SM808GSC-60	8-Port 100Base-FX SM SC 60km Layer-2 Managed Switch w/ GBIC uplink port

Closing:

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,

Transition Networks Management Team
