Dear Valued Customer / Partner:

Transition Networks would like to inform you that the following products are going End-Of-Life (EOL) and will no longer be available for order.

Discontinued Products:

| | | | | |
|---------------|---------------|---------------|---------------|---------------|
| CFBRM1313-100 | CFBRM1313-110 | CFBRM1314-100 | CFBRM1314-110 | CFBRM1315-100 |
| CFBRM1315-110 | CFBRM1317-100 | CFBRM1335-100 | CFBRM1329-100 | CFBRM1329-110 |
| CFBRM1329-101 | CFBRM1329-111 | CFBRM1329-102 | CFBRM1329-103 | CFBRM1413-100 |
| CFBRM1414-100 | SFBRM1313-100 | SFBRM1313-110 | SFBRM1314-100 | SFBRM1314-110 |
| SFBRM1315-100 | SFBRM1315-110 | SFBRM1317-100 | SFBRM1335-100 | SFBRM1329-100 |
| SFBRM1329-110 | SFBRM1329-101 | SFBRM1329-111 | SFBRM1329-102 | SFBRM1329-103 |
| SFBRM1413-100 | SFBRM1414-100 | | | |

Replacement:

The replacement products are the CBFFG4040-105 and SBFFG4040-105. These replacement models are SFP based and accept a wide variety of SFPs.

These replacement models offer the same base features/functions in addition to the following new features:

- (2) SFP tri-speed SFP ports. SFP port accepts 1000Mbps SFPs, 100Mbps SFPs or SGMII (10/100/1000Mbps copper SFPs)
- Jumbo frame support – 10,240byte
- Ethertype selection for S-TAGs (0x8100, 0x9100 or 0x88A8)
- Additional bandwidth allocation settings / rates:

| | | | | |
|----------|-----------|----------|----------|----------|
| 64 Kbps | 128 Kbps | 192 Kbps | 256 Kbps | 320 Kbps |
| 384 Kbps | 512 Kbps | 768 Kbps | 1 Mbps | 2 Mbps |
| 3 Mbps | 4 Mbps | 6 Mbps | 8 Mbps | 10 Mbps |
| 20 Mbps | 30 Mbps | 40 Mbps | 50 Mbps | 60 Mbps |
| 70 Mbps | 80 Mbps | 100 Mbps | 200 Mbps | 300 Mbps |
| 400 Mbps | 500 Mbps | 600 Mbps | 700 Mbps | 800 Mbps |
| 900 Mbps | 1000 Mbps | | | |

Final Orders:

Final orders are subject to stock availability. Orders will be accepted while supplies last.

Closing:

Transition Networks looks forward to supporting your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,

Transition Networks Management Team
